

### REMARKS

This Amendment is submitted after allowance of the present application, supplementary to the previous Amendment and in connection with a telephonic interview with the Examiner.

In the present application a Notice of Allowance was issued by the Examiner, and the Examiner was authorized to cancel Claim 46 because it was dependent on cancelled claim 34. The dependency of Claim 46 on Claim 34 however, was a result of an error, and Claim 46 had to be dependent on Claim 42.

In a telephone interview with the Examiner, the Examiner was asked to allow resubmission of Claim 46 with its dependency from Claim 42, and the Examiner kindly indicated that he would agree to it.

Since Claim 46 was cancelled, applicant has submitted new Claim 57 which is a copy of Claim 46 and depends on Claim 42.

It is respectfully requested to allow Claim 57 as well.

Respectfully submitted,

/Michael J. Striker/
